textile-oriented day trips study groups demonstr  
oriented day trips study groups demonstrations

Meetings are held on the second Thursday morning of each month at 10:00 a.m. from September through June.

You are invited to attend one meeting as a guest and may become a member by paying annual dues of \$25.

We draw out membership from Delaware, Pennsylvania, Maryland and New Jersey. We meet in northern Delaware on the second Thursday morning of the month. For more information about meeting dates and times, please visit our website [www.harmonyweaversguild.org](http://www.harmonyweaversguild.org).

Programs are the major focus of the Guild meetings. They feature guest speakers, slide shows, demonstrations of various fiber-work techniques and field trips. Members often share their recent projects at the meetings. The life of the Guild is enriched by workshops conducted by nationally-known teachers, in-depth study groups formed by members and community outreach education programs. Every two years the Guild showcases its range of creativity in an all-member exhibit.

The Guild newsletter keeps members informed of activities, area shows, lectures and workshops.

Most important is the fellowship of the Guild: stimulation, support and encouragement for beginning and experienced fiber artists.

*Beauty is all about me,  
Gladly I work and long,  
Always my heart is singing,  
My weaving runs like a song.  
Navaho song,  
The Trail of Beauty*

*I'm a dreamer of dreams,  
but a weaver as well,  
Threading my loom,  
with a magic spell,  
Then swiftly my shuttle  
flies thru the stings  
Catching my vision  
of beautiful things.  
Weaver's Poem*
